

Type your input criteria for each field and press the <ENTER> key to make your selection for the field. The input box advances to the next field for your next input. For instances when you desire a single item rather than a range of items, enter the same input value in the *Start [Criteria]* and *End [Criteria]* fields. A sample Lay-away Report follows.

Lay-away Report - Summary

Availability: All CompuPawn systems.

Example: This example shows a summary listing of all active Lay-aways at the time the report was printed.

Inputs Used: Determine parameters (Date, Employee, etc.)

- Types (L/R/F) = {L}
- Detail (Y/N/S) = {S}
