## Police Form- Maryland Format

**Availability:** CompuPawn—General Reports  
CompuPawn-LITE—General Reports

**Inputs Used:** Determine parameters (*Shift, Customer, etc.*)

- *Start Shift / End Shift* = {Same}
- *Special State Form (1-9)* = {4, for Maryland Format}
- *Print Exception Report (Y/N/O)* = {N}

**Example:** This example shows a Maryland Police Form that complies with the Maryland required format. Maryland pawnshops must use a pre-printed form. This is the only Police FORM that prints thru this option.

Using the input criteria *Print Exception Report (Y/N/O)*, the “Exception Report”, a requirement of Maryland only, may be printed *in addition* to the Police Forms.
